SPECIAL THANKS

Award Competition Photographer – Diane Beers

Welcome to the 17th Biennial Broward Quilt Expo (BQE)

We genuinely believed that the 2021 quilt expo would be the last. We questioned if we could hold a quilt expo given the presence of Covid, frequent schedule changes, and a new location. But it happened with the support of the vendors, quilters, attendees and volunteers.

Now in 2023, when we are hosting our second event at the Charles F. Dodge Civic Center, we have added the Florida Keys Quilters to our roster of guilds, bringing our total to eight guilds. With more than 260 quilts, we also have the most quilts ever entered in the history of BQE.

A show that began with one guild, 30-plus years ago, has expanded to include eight guilds, and we have now received our first Canadian quilt entry. We may now undoubtedly claim to be global. With our youth category, this year's event welcomes the upcoming generation of quilters. Every year, we boast about having the best collection of quilts, but this year, we believe it to be true.

As we prepared for the show, we also saw changes in the quilt world. Zoom has become the new normal for workshops as well as on-demand classes. YouTube, TikTok and Instagram reels are all exploding, providing tutorials around-the-clock. The quilting industry has expanded to become a \$5 billion industry thanks to social media. We are changing along with all of these other things including the global expansion of quilting. The Broward Quilt Expo name will be retired, but not its spirit. Our event will now be known as the South Florida Quilt Expo beginning in March 2025. We believed it was time for an update because the expo has grown to include guilds outside of Broward County.

As the largest quilt show in South Florida, we are still run entirely by volunteers and will continue to be run by quilters for quilters.

So what do we do when the show is not going on? This year we rebranded with a new logo and created a fundraiser to help those affected by Hurricane Ian. Half of the funds raised for our Get it Quilted Raffle have been donated to the Hurricane Ian Relief Fund.

We would like to express our gratitude to Tops Vacuum and Sewing for providing a longarm quilting machine to enable this raffle. The winning quilt tops can be seen being quilted live on the show floor. Also, we have been working hard to find sponsors for each category's monetary awards. We would like to express our gratitude to Humana for its support as well as ElevateMD for its kind donations and sponsorships.

Also, we would like to express our gratitude to all of our vendors—both new and seasoned—as well as those who support our quilt show by placing an advertisement in our full-color show book but are unable to attend in person due to distance. We are very grateful for your ongoing assistance.

Many thanks to all our volunteers who made this show happen. We are forever grateful.

Enjoy the show, and don't forget to cast your vote for the Viewer's Choice Award.

See you in March 2025

Denise and AJ

Our Show's Judge - Beverly Fine

I made a simple nine-patch quilt for a friend while I was in high school, but I didn't become a dedicated quilter until 1996. I didn't know then that it would change the direction of my life, but I soon learned that it was impossible to make only ONE quilt! Now I belong to two quilt guilds. I have found that with every new opportunity to learn, there is

also an opportunity to serve. I served as president of the Quilters' Connection guild in Watertown, MA, and a four-year term on their board of directors. I volunteered as an assistant curator at the New England Quilt Museum. I founded and produced the five annual quilt shows to benefit the Thayer (Lancaster, MA) Memorial Library Building Fund from 2000-2004.

I became a National Quilting Association Certified Judge in 2003 and served as the NQA Judges Certification Program Coordinator from 2008-2012 and again from 2015-2016. I co-authored the book *Guide to Judged Quilt Shows*, available through Amazon. I served as the Masterpiece Quilt Coordinator for the National Association of Certified Quilt Judges (www.NACQJ.com) from 2015-2017 with the mandate to recognize the very highest

quality of work being done among today's quiltmakers. Upon learning that the NQA planned to dissolve as of December 31, 2015, I became a member of the four-person transition team to set up and organize the new National Association of Certified Quilt Judges.

Becoming a judge was a natural extension of my geeky tendency to research and study. I feel strongly that a judge ought to have done most every technique that comes across her judging table. My judging philosophy is to recognize creativity and the appropriate skills to bring it to life. I hope to encourage all quiltmakers and guide them toward the best possible choices to develop their ideas.

I am passionate about making my own original quilts, but consider traditional quilt scholarship important as well. I currently focus my own work on monoprinting (using an etching press and/or fabric marbling) as well as dye-painting and shibori techniques. Dyeing, painting and printing plain white cloth simply fascinate me. Recently, this has extended into collage, watercolor and acrylic painting on paper. Often, as I play with colors and shapes, an unexpected connection appears and tells me a story. I accept these gifts and nurture them with imagination, some patience and craftsmanship. By featuring this new cloth in my quilts, personal stories are more authentically told.

Southern Stars Quilt Guild Inc.

Our guild began informally in 1985 with a group of ladies who shared a similar passion for quilting. Over the past 47 years the Southern Stars Quilt Guild Inc. has continued to preserve and advance the art of quilting through programs, workshops, lectures, and demonstrations. We are a small but active guild where everyone has a voice and new ideas are always encouraged. Some meeting highlights include a Block of the Month, a Fat Quarter Draw, monthly programs, games, UFO challenges, and, of course, everyone's favorite - Show & Tell. We also enjoy a monthly Saturday Sit 'n Sew where we have educational workshops, work on charity projects, and socialize with our quilting friends.

FLORIDA KEYS QUILTERS, INC

History of Florida Keys Quilters By Agnes Spence

Once upon a time a quilter by the name of Sally Tanner came from Tampa, Florida and pleaded with the owner of a fabric shop in Key Largo, Accent II at MM , to place quilting fabric in her shop. Sally then placed a notice in the shop advertising that she would teach quilting in her home on Saturday mornings when she came to Key Largo on the weekends.

In 1989 a Friendship Quilt Club was formed with 13 members in attendance. The rules of the club were that meetings would be held in the homes of the members for lunch with the object of the club being the exchange of ideas and improvements of quilting skills. There would be no officers and no dues. One rule of the club had been violated as it's "stated". "It is against the rules to move away."

In 1982, the name of the group was changed to the "Florida Keys Quilters," and bylaws were drawn up and officers elected. There are now 69 members on the roster. The object of the organization still remains, friendship and the exchange of ideas and improvements of quilting.

Come join us!

We have in person and Zoom meetings available every first Saturday of the month at The Key Largo Library- 101485 Overseas Hwy. Key Largo. (Tradewinds Shopping Center) Also, most Fridays Sit'n Sew hours vary so check with the librarian.

**CONGRATULATIONS TO ALL THE WINNERS AND PARTICIPANTS
AT THE 17TH BIENNIAL BROWARD QUILT EXPO**

Our interest is in modern quilting, which can include many approaches—reinterpreting traditional ideas with modern fabrics, using modern design aesthetics like negative space and alternate gridwork, improvisational work, and embracing simplicity and minimalism. Modern quilting, like all art, changes, grows, and adapts from quilter to quilter as they find their own voices.

Our activities include lectures, workshops, block of the month, challenges, and charity quilts.

We meet via Zoom & in Person on the 3rd Saturday of the month at Boca Raton Community Center.
